Many of our patients require daily treatments for their malignant diagnoses. Our patients need a temporary home away from home to find serenity and peace during such a difficult time in their lives. Thanks to fundraising campaigns, donations of materials and physical labor, we have started construction on our donated land site.

At The Our Promise House, we will offer patients meals, fellowship, information and most importantly, HOPE to see each new day as an opportunity to persevere and get better.

## LEAVE A LEGACY AT OUR NEW HOUSE

**12 X 12" GRANITE STONE \$500**
